Accommodation

When 43 of us went to Torquay in 2026 we used 10 Double Rooms for 20 people and a combination of Single Rooms, Two Bedroom units and Double Rooms (with an under-occupancy charge of £20/night on the Double Rooms) for 23 people.

In 2027, Torquay can provide Single or Shared Accommodation with two bedrooms for 23 people. Potters can only provide similar accommodation for 17 people (of which only 3 are in Singles) and Bembridge can provide for 18 people in Single Rooms of which 8 of the rooms will be in Mews Chalets outside of the Main Building. If any additional Singles are required, both Potters and Bembridge would charge a double room price assuming it had two people in it.

The availability quoted is now and we would need to make a Group Booking quickly to hold this availability. **Please sign up BEFORE 31st May 2026.**
