

HEAD COACH REPORT FEBRUARY 2020

CLUB COACHES

HDIBC has 8 active coaches at present, the most recent being Ann Chaplin who qualified last year. My congratulations go to coach Maralyn Pomeroy who recently qualified as a Level 2 Coach.

The coaches spend a lot of time and work very hard in the club, especially with New Bowler training and support to the Durrant Trophy games. They also do assessment of, and familiarisation sessions for, outdoor bowlers as well as individual coaching.

As well as individual coaching, the coaches can also offer group coaching to members – for example team building and head reading sessions.

The HDIBC coaches are a very good team and my thanks go to all of them.

SEPTEMBER OPEN DAY AND TRAINING

The 2019 Open Day was split into two mornings too try and maximise the number of visitors. The visitors for the Saturday morning were 17 and for the Sunday morning were a very disappointing 4, so for 2020 we will be reverting to one morning on a Saturday (September 19th).

My thanks go out to all the club members who turned up on the days to meet and greet the visitors, helped on the rink, and made the tea and coffee for all.

Following the Open Day we trained 14 new bowlers with 11 joining. We also had some interest from people after the Open Day training, resulting in another training group giving an additional 3 members, and another group of 5 to start in late February.

Trevor Clark

HDIBC Head Coach
